- Anthropology
- Archaeology & Biological Anthropology
- Linguistic Anthropology
- Sociocultural Anthropology
- Environment & Culture
- Refugee and Migrant Studies

Combined Degrees

HBA (Ivey Business School)

Anthropology, which views human behaviour, biology and society (both past and present) in a cross-cultural perspective, combines scientific and humanistic interests in a social science framework.

Anthropology involves the study of humans around the globe, over a span of four to five million years, using perspectives from the social sciences, natural sciences, and humanities. This makes anthropology one of the broadest ranging academic disciplines.

BUILDING YOUR EXPERIENCE

Check the Academic Calendar and review your module requirements

Discuss your progression and future goals with an Academic Advisor

Talk to a Career Educator about your steps after Western in terms of further education, career goals, certifications, and more.

Get the experience you need through opportunities at Western using Mustang Maps and the Experience Catalogue!

ABOUT THIS MAP

This map can be used to plan your journey through your undergraduate degree. You can create your own custom map at **mustangmaps.uwo.ca**.

Remember, these maps are intended to outline experiences that you could do. They are meant to help you find ways to enrich and personalize your Western experience. You should explore the maps based on your goals and interests, while keeping in mind your own capacity and personal boundaries.

STUDENT EXPERIENCE studentexperience@uwo.ca

FACULTY OF SOCIAL SCIENCE social-science@uwo.ca

We want you to thrive throughout your time here at Western. We aim to make every student feel they have

a community in which they can discover their interests, and engage with new ideas and people.

WESTERN'S THRIVING CAMPUS

Helping you engage in your learning through practical experiences is just a fraction of what we offer; we have a wide breadth of services designed to help you address the challenges you might face along the way, including academic and career advice, and mental health resources.

TRACKING YOUR EXPERIENCE

Exploring opportunities to enhance your learning doesn't end with Mustang Maps. As you participate in co-curricular experiences, consider these tools to track your engagement and articulate your transferrable skills:

<u>Western's Co-Curricular Record</u> helps you showcase your experiences outside of the classroom to potential employers and graduate schools.
