WESTERN'S THRIVING CAMPUS

We want you to thrive throughout your time here at Western. We aim to make every student feel they have a community in which they can discover their interests, and engage with new ideas and people.

Helping you engage in your learning through practical experiences is just a fraction of what we offer; we have a wide breadth of services designed to help you address the challenges you might face along the way, including academic and career advice, and mental health resources.

TRACKING YOUR EXPERIENCE

Exploring opportunities to enhance your learning doesn't end with Mustang Maps. As you participate in curricular and co-curricular experiences, consider these tools to track your engagement and articulate your transferrable skills:

Western's Co-Curricular Record helps you showcase your experiences outside of the classroom to potential employers and graduate schools.

Western's Experience Profile (coming soon!) captures the competencies you develop through work integrated learning experiences, as well as curricular and co-curricular experiential learning.
